

Project 1. “ The Song of Wind ”

♣ FANTASIA Draws the Future !

우리는 왜
새로운 영상콘텐츠를 제작하려 하는가 ?

안개 너머로 어른거리는 미래의 모호함, 두려움
우리는 새로운 세상을 보여주려는 열망을 가지고 있다.

우리는 전쟁과 테러, 폭력에 반대하며, 현대문명이 야기한
인류의 넘치는 탐욕에 경고를 보내고자 한다

Why are we
Trying to create new video content?

the ambiguity & fear of the future that rumbles over
the fog, We have a passion to show a new world.

We stand against war, terrorism & violence,
send a warning to mankind's overflowing greed.

Project 3.

♣ SPECIAL PROPOSAL FOR ABC NETWORKS

The Color of Life

♣ Global variety show in US TV ch

Synopsis **The Color of Life !**

🕒 How can we live creative lives?

Humans on Earth all have diverse colors. We all communicate with each other and make society and history with our own unique life colors. This program focuses on how human colors can create unique storytelling and introduce appealing characters.

To start off, colors will be divided into seven sections, and various panoramas of life will be drawn according to the unique identity of each color. Brand new experiences, such as adventures and fantasies, love and service, curious and wonderful encounters, and moving on from the past, unfold in variety of Entertainment Talk Show and Real Documentary styles.

🕒 Rendezvous between Advanced Science 'AI' & 'Storytelling'

For certain situations, AI (Chat GPT) will join in the adventures of some of the world's wealthiest and most reputable people living in the top ten major global cities. Through a novel and innovative approach, AI delivers inspirational quotes from late historical figures and celebrities to each cast member, and also gives applicable advice on discovering new values and interests in their lives.

The cast members each embark on their " exciting character's exploration of self " by talking to past celebrities through AI voice playback in a various situations. Through this process, we will explore how individuals' unique life colors have shaped the world and influenced culture, history, international politics, revolution, and even prominent art.

🕒 Program's Effects

"A journey to find a new life color based on humanistic reflection."

This novel and unique experiment introduces an essence of a new talk show concept that transcends time and space. The program's interesting perspective will give global viewers an opportunity to think about how to enjoy their precious lives with meaning, and will ultimately give global viewers significant inspiration for the dynamic and direction of their lives.
